Dear Ladies,

We would like to thank you for your kind and thoughtful donations of many items, including a crib, change table, children's clothing and women's shoes and accessories. The women and children who reside here at the shelter are always in need of many items because they often come to us with nothing but the clothes they are wearing. Your donations have been so helpful to them and they have very much appreciated everything. It is so thoughtful of you to want to help them in their time of need.

Everything we can help them with assists them in feeling the community spirit and connection that will empower them to move on and have a good life once they leave the shelter and go on their own.

Thank you again! We hope to continue this wonderful collaboration in helping those in need.

With heartfelt Thanks,

William and Catherine Booth
